

# TO: SHRI NARENDRA MODI, PRIME MINISTER OF INDIA

We, the undersigned, request that you protect animals' lives by strengthening penalties for animal abusers under The Prevention of Cruelty to Animals Act, 1960.

We respectfully ask that this Act be amended to ensure that anyone found guilty of cruelty to animals receives jail time, a significant fine, and counselling and is forbidden to have contact with animals after the first offence.

People who are cruel to animals often move on to human victims. Strengthening penalties for abuse would therefore improve our society.

Thank you for your attention to this important matter.
