## 12. First Information contents (प्रयम सुचना तथ्य ):

On 22/02/2024 Complainant Tushar Kol, Adocacy Associate for PETA India lodged an FIR at Nagaon PS stated that, Complainant is the Advocacy Associate of People for the Ethical Treatment of Animals (PETA) India. Complt writing on behalf of PETA India to request you to register a FIR against the organizers, animal owners, participants and other people involved in facilitating or conducting a brutal and illegal buffalo fight / moh j in Kasomari, Nagaon district held on 16 February 2024. In this regard, complt refer to a YouTube video from the account of Morigaon Lora https://www.youtube.com/@morigaonlora206 which broadcasted the buffalo fight / moh juj (the Buffalo Fight Video). The Buffalo Fight Video can also be watched on the following link, to validate the date of the fight- https://www. youtube.com/watch?v-6095aGHNISI. Complt is bringing this illegal buffalo fight / moh juj, to our notice in the context of the Standard Operating Procedures, issued by the Government of Assam, Political (A) Department, Dispur, dated 27.12.2023 (SOP) (Annexure A) which sets out, inter alia, that such fights may only be conducted during the period stipulated in the SOP - 15th January to 25h January. It is pertinent to note that the Honble Guwahati High Court has recently, by virtue of Order dated 06 February 2024, in PETA India v. State of Assam and Ors, WP (C) 466/2024, passed an Interim Order directing strict enforcement of the SOP, specifically the time limit for the event as prescribed under the SOP (Annexure B). A relevant extract from .Interim Order dated 06 February 2024 is reproduced here, for our reference: 8. Notwithstanding the challenge to the legality and validity of the impugned Notification /SOP /set of Guidelines for Buffalo Fights Moh-Juj, which would need further examination, it is evident from the Notification/SOP/set of Guidelines that the State Government itself has observed that no Buffalo Fight /Moh-Juj would be permitted in any other period other than 15th January to 25th January in a calendar year at any other place. Therefore, this Court likes to observe that during the pendency of this writ petition, the State Government shall ensure strict compliance of the Notification/SOP/a set of Guidelines in respect of Buffalo Fight Moh-Juil. .. (emphasis supplied) In any event, the buffalo fight / moh juj event is in stark violation of the Prevention of Cruelty to Animals Act, 1960 (PCA Act). Section 11(1)(m)(ii) makes it an offence to incite any animal to fight any other animal. Furthermore, Section 11(1)(n) penalizes organizing, keeping, or acting in the management of, any place for animal fighting or permitting or offering any place to be so used. Throughout the Buffalo Fight Video, the two buffaloes can be seen to be surrounded by 6 7 handlers, armed with long sticks. The handlers can be observed agitating the buffalo by beating them with their hands and sometimes with their sticks. Shocking visuals of the buffaloes being chased and indiscriminately subjected to hard blows can be seen from 04:12 minutes of the Buffalo Fight Video. From 04:12, one of the buffaloes hurriedly escapes the fight, and in the process charges furiously at the spectators. In parallel, the other buffalo also tries to escape. However, this buffalo is caught by the handlers and is aggressively beaten up with their sticks. At 4:16 to 4:17 minutes, the buffalo charges at a human who then falls down because of the buffalos strong push. Even after this, the handlerscontinue to subject hard blows on the Buffalos head. This is a cognizable offence under Section 289 of the Indian Penal Code, 1860 (IPC), as the handlers and the organizing committee have omitted to adhere to the barricading requirement putting several human lives (including minors) in serious danger of grievous hurt from the agitated buffalo who charged at the spectators in an attempt to escape. In fact, the buffalo who did not manage to escape charged at a handler who fell down immediately due to the buffalos head-on collision. Additionally, the failure to provide adequate barricading at the event also poses an inherent and grave risk to the life and safety of spectators and passers-by. The continuous and hard beatings subjected to the buffalo at 4:12 minutes onwards is a clear act of mischief, a serious attempt to maim and severely injure the buffalo. Especially the continuous beatings on the buffalos head are capable of causing serious internal injuries or death. This is a punishable offence under Section 511 read with 429 of the IPC. Apart from Section 11(1)(), (m)(ii), and (n). the following PCA Act violations are also clearly visible and made out from the Buffalo Fight Videos: The handlers / owners of the buffalo bulls have taken no measure to ensure the well being of their buffalo bull. In fact, at several instances they deliberately inflict pain on the buffalo bull. Multiple handlers, at any point of time, are seen to surround the buffalo bulls with long sticks, and at several instances subject the bulls to beatings, and buffalo bulls are not provided with any food, water or shelter throughout the fight. Section 3 Section 11(1)(a) Section

or

 $\chi_{(1)(h)}$  Notwithstanding the abovementioned inherent cruelty in the buffalo fights / moh juj, nearly every single lause of the SOP is being violated. In view of the same, the organisers, participants, animal owners and the handlers are liable to be penalized underSection 188 of the IPC. The following are clear SOP violations: Clause 1. A responsibility is imposed on the District Administration to ensure that all rules and regulations along with the SOP is strictly followed. Clause 2. Moh-juj was conducted on 16 February 2024, well after the prescribed timeframe (15 January to 25 January)Clause 3. There were no visible veterinary practitioners deputed to treat any medical emergencies after the injuries inflicted from the hard blows.Clause 4. It is apparent no arrangement for water, food and sun-shade was made because the buffalo bulls were deprived of these necessities. Clause 5. No barricading was put upClause 6. Multiple handlers (not less than 6-7), at any point of time, are seen to surround the buffalobulis with sticks, and at several instances, subject the bulls to beatings, and torture. In view of the extreme cruelty involved, the offences under the Prevention of Cruelty to Animals Act, 1960 the Indian Penal Code, 1860, and the Interim Order dated 06.02.2024 passed by the Guwahati High Court. Hence the case
